CAPSTONE'S ORGANIZATIONAL CHART

THE SERVICES WE PROVIDE

Maximizing returns on real estate investments requires proactive management, and Capstone's property management team is dedicated to helping landlords achieve this. We work closely with our clients to develop tailored real estate strategies that align with their short-, medium-, and long-term investment goals.

Tenants today expect round-the-clock service, and we deliver just that. Our property and facilities management team provides 24/7 support, ensuring urgent maintenance issues are addressed promptly, no matter the time or place. This level of commitment keeps both landlords and tenants satisfied, safeguarding the value and functionality of the property.

In addition to day-to-day management, we offer comprehensive portfolio reviews. Our experts will assess your real estate assets and craft an effective strategy to optimize their performance. This includes identifying opportunities for income and value enhancement through renovations, redevelopments, and improvements in general maintenance—both routine and on-demand. We also help restructure leases to better align with current market conditions, ensuring your properties are positioned for long-term success.

By partnering with Capstone, you can be confident that your real estate investments are managed with the highest level of care and expertise, maximizing their potential at every stage.

PROPERTY MANAGEMENT SYSTEM & APP

Capstone's Smart Property Management System (CPMS) is an innovative platform designed to simplify property management for both landlords and tenants. Developed by Capstone, this unique software enhances efficiency and transparency.

For landlords, CPMS offers a complete overview of their real estate portfolio, providing detailed insights into each property's performance. Landlords can track earnings, expenses, maintenance requests, and tenant details in real time, while also accessing macro overviews to identify their most profitable properties.

Tenants can use CPMS to manage their tenancy effortlessly. They can view tenancy details, submit documents, check post-dated cheques, raise maintenance requests, renew contracts, and more—all in one place.

On Capstone's side, CPMS streamlines operations by enabling efficient contract tracking, management, and renewal, helping to maximize returns for our landlord partners. This all-in-one solution enhances the property management experience for everyone involved.
